

Mizzen Capital is pleased to share that Managing Partners Elizabeth Karter and Marilyn Adler, CFA, were recently featured on the Deal Us In podcast hosted by McGuireWoods LLP.

During the discussion, Liddy and Marilyn provide insights into Mizzen's investment strategy within the lower middle market, highlighting the firm's focus on:

- Identifying high-potential businesses with strong growth prospects
- Partnering with management teams to drive operational improvements
- Fostering innovation and strategic development to maximise value
- Maintaining a disciplined approach to risk and capital allocation

We thank the McGuireWoods team for the opportunity to participate in this discussion.
