Mizzen Capital Provides Incremental Financing to Support an Add-On Acquisition for Landscape Service Company

Stamford, CT – August 18, 2026 – Mizzen, a private credit platform, announced that a fund it manages and a co-lender from previous rounds have provided a \$7.0 million delayed draw term loan to support the acquisition of a Dallas–Fort Worth-based provider of landscape installation and related services. The financing increases the total outstanding term loan to \$27.2 million.

“This acquisition strengthens the company’s presence in the Dallas–Fort Worth market and adds a scaled, project-focused landscaping business with capabilities across design, installation, irrigation, and maintenance services. Mizzen’s continued support and certainty of execution have been important as we expand our platform and continue building a differentiated, operator-led grounds maintenance company,” said the company’s CEO.

Marilyn Adler, a Managing Partner at Mizzen, said, “We are pleased to continue supporting the company’s disciplined acquisition strategy as it expands in attractive, high-growth landscaping markets. This acquisition enhances the platform’s Dallas–Fort Worth scale, broadens its service capabilities, and provides a meaningful opportunity to build recurring maintenance relationships over time.”

About the Company

The company is a differentiated, operator-led outdoor services platform providing a full suite of ground maintenance, landscape, irrigation, enhancement, and project-based services through a portfolio of regionally recognized businesses. Serving commercial, HOA, and residential customers across high-growth U.S. markets, the company combines recurring maintenance revenue with project-driven capabilities that deepen customer relationships and support continued growth. The platform is focused on disciplined acquisitions, operational integration, and expanded service offerings to build a diversified, scaled provider of essential outdoor services.
