Mizzen Fund Completes Financing to a Precision Tooling Manufacturer

Stamford, CT – May 20, 2026 – Mizzen, a private credit platform, announced that funds it manages have provided \$4.0 million senior secured term loan to a Precision Tooling Manufacturer (the “Company”) on May 7, 2026. This financing supports a Sponsor-led management buyout of the Company.

The Company is a precision tooling manufacturer that provides mission-critical measurement solutions and designs a broad range of fixed-limit gaging products to ensure dimensional accuracy and compliance with stringent industry standards across aerospace, defense, medical, energy, and industrial markets. The Company has built a strong reputation for technical expertise, quality, and reliability across aerospace, defense, medical, energy, and industrial markets.

“We are excited to partner with Mizzen in support of a leading precision tooling platform providing high accuracy, mission critical measurement solutions for demanding industrial applications. Mizzen’s understanding of highly technical manufacturing businesses and its ability to support continued investment in our capabilities made it a strong fit for this transaction,” said the Company’s CEO.

Liddy Karter, Managing Partner at Mizzen, commented, “We are pleased to support this differentiated precision measurement platform as it continues to execute its growth strategy. The Company’s advanced technical capabilities, strong market positioning, and critical role in quality assurance processes align well with Mizzen’s focus on essential, non-cyclical industrial businesses”.

About The Company

The Company is a leading precision gage manufacturer providing mission-critical measurement solutions across aerospace, defense, medical, energy, and industrial end markets. Its advanced technical capabilities and broad product portfolio support stringent quality assurance requirements and drive long-standing customer relationships.

About Mizzen Management LLC
