Mizzen Funds Completes Financing of a Commercial Landscaping Platform

Stamford, CT – July 17, 2026 – Mizzen, a leading private credit investment platform, is pleased to announce that the funds it manages have provided \$9.7 million on July 15, 2026, in the form of a term loan and equity investment to a commercial landscaping platform (the “Company”).

The company is a commercial landscaping consolidation platform with a presence in Georgia and Tennessee. They are a full-service provider of landscaping services, with a focus on contracted maintenance and enhancement work, driving a high proportion of recurring revenue.

“We were attracted to Mizzen’s ability to provide a flexible capital solution that supports both organic growth and acquisition initiatives,” said the Company’s sponsor. “Mizzen’s historical landscaping investment activity and their long-term partnership approach made them an ideal financing partner.”

“The Company operates in an attractive and highly fragmented landscaping sector with significant consolidation opportunities. We believe the platform is well-positioned to continue expanding through both organic growth initiatives and strategic acquisitions,” said Marilyn Adler, Managing Partner at Mizzen.

About The Company

The Company is a commercial landscaping and grounds maintenance platform operating through multiple branch locations across Georgia and Tennessee. It provides recurring grounds maintenance services, including weekly mowing, seasonal maintenance, irrigation, and property management, as well as project-based landscaping and enhancement services such as mulch and pine straw installation, landscape bed improvements, and larger landscape construction projects.
