

## Mizzen Fund Completes Financing to an Aerospace Parts Manufacturer

Stamford, CT – February 2, 2026, Mizzen, a leading private credit investment platform, is pleased to announce that a fund it manages provided a \$5.0 million term loan on January 26, 2026, to an Aerospace Parts Manufacturer (the “Company”).

The Company specializes in delivering mission critical aerospace components engineered for reliability, efficiency, and performance. Leveraging state of the art manufacturing technologies, advanced materials, and a highly skilled engineering team, the Company serves OEMs, defense related engines, and platforms.

“We are thrilled to secure this financing, which will allow us to expand production capacity, invest in next generation manufacturing technologies, and support our rapidly growing customer base,” said the President of the Company. “This investment strengthens our position as a trusted supplier of high precision aerospace components at a time of increasing demand for quality, reliability, and supply chain resilience.”

Liddy Karter, a Managing Partner at Mizzen, stated, “The Company’s precision, engineering discipline, and unwavering commitment to reliability truly set them apart. Their strategic vision for advancing aerospace manufacturing while maintaining exceptional customer trust makes them an outstanding partner. We’re excited to support their next phase of innovation and growth.”

### About The Company

U.S. based producer of precision engineered components for the aviation, defense, and space sectors. The Company provides advanced manufacturing expertise, rigorous quality controls, and end-to-end engineering support to ensure each part delivers uncompromising reliability and performance. With a commitment to excellence and continuous innovation, the aerospace parts manufacturer serves as a trusted partner to leading aerospace organizations.

### About Mizzen Management LLC

[Mizzen Management, LLC](#) (“Mizzen”) operates as a private credit platform that extends loans through its funds to U.S. based private companies engaged in essential, non-cyclical industries. These industries include manufacturing, business, and healthcare services, IT, software, and energy transition. Mizzen’s funds collaborate with owners, managers, and sponsors to supply capital for various purposes such as working capital, business expansion, recapitalizations, and acquisitions.
