

Mizzen Capital Completes Financing for a Landscape Management and Maintenance Company

Stamford, CT – June 30, 2025, Mizzen, a private credit platform, is pleased to announce that funds it manages provided a term loan of \$7.4 million to a Landscape Management and Maintenance Company (“Company”).

The Company is a commercial landscaping business offering a comprehensive suite of landscape management services. It provides both ongoing maintenance and enhancement solutions to its customers. Enhancement services include a variety of specialized offerings such as tree trimming, landscape installation, irrigation system services, storm response, and additional maintenance work.

"Mizzen provided the right structure at the right time, supporting our plans to scale through acquisitions while keeping the process efficient and well-executed," said the Company.

Marilyn Adler, Managing Partner at Mizzen, said, "We were impressed by the team's strong commitment to delivering high-quality, sustainable landscaping services. Their operational focus and long-term vision make them strong partners, and we look forward to supporting their continued growth.

About the Company

The Company serves a range of commercial clients with maintenance, installation, irrigation, and tree work. They have been providing top-tier commercial landscaping services for over 30 years to blue-chip customers with multi-year contracts and high customer satisfaction.

About Mizzen Management LLC

[Mizzen Management, LLC](#) (“Mizzen”) operates as a private credit platform that extends loans through its funds to U.S.-based private companies engaged in essential, non-cyclical industries. These industries include manufacturing, business and healthcare services, IT, software, and energy transition. Mizzen's funds collaborate with owners, managers, and sponsors to supply capital for various purposes such as working capital, business expansion, recapitalizations, and acquisitions.
